

Utilizing Challenges to Strengthen Teamwork

Group Project Planning Questions

1. Who is the leader and who are the helpers?
2. What is the job we have to do?
3. What are each of the steps to doing the job—which comes first, second, third, and so on?
4. Which step will each student do? (*Try to connect students' jobs to their strengths or talents.*)
5. After finishing your jobs, stop—and make sure that you have done all the steps. Do you feel proud of your work? Did you try your best?
