

Review: Creative Thinking

Name _____ Date _____

Your Turn

Answer each of the following questions.

1. What is a mnemonic? A memory aid—a clever way to remember something

2. List at least three types of mnemonics: _____
Possible answers: acronyms, acrostics, categories, rhymes, raps, chants, songs, visuals
3. Write a simile question: _____
The question should take this form: “How is (the topic) like (something else).”
4. Answer the simile question in two ways: Answers will vary.

5. Pick a topic you are studying and either create a cluster or freewrite about it.
6. Creatively answer the following square-peg question: *How can a chicken end a war?*

Reflect:

7. List three traits of a creative thinker; then evaluate yourself on these traits.

Traits	Evaluation	Improvements
